CONSTRUCTION HAS STARTED!

**WHAT’S HAPPENING ON THE SITE?**

Exciting Progress Update!

The United Community Center’s Early Learning Academy is officially underway! Over the last couple of weeks, the site has been cleared and site access roads and earthwork has begun. This includes site preparation, earth retention and ground improvements, basement and foundation excavation, and concrete footings. You should be seeing our first concrete pours the first week of April.

Stay tuned for more progress photos and facts!

**QUESTION/CONCERNS:**
