WHAT’S HAPPENING ON THE SITE?

Construction operations at the UCC Early Learning Academy have commenced and are progressing nicely.

Below is a recap of the strong progress made in recent weeks:

- All basement and foundation work for the structure is complete.
- All of the block wall stair shafts have been constructed.
- All of the underground plumbing and electrical work that is placed under the basement floor is nearly complete and waiting on final inspections.
- Placement of the basement floor is scheduled for the week after Memorial Day.
- Structural steel is expected to begin (on schedule) the first week of June.

QUESTION/CONCERNS:
