WHAT’S HAPPENING ON THE SITE?

Construction operations at the UCC Early Learning Academy have commenced and are progressing nicely.

Below is a recap of the strong progress made in recent weeks:

- Placement of the basement floor was completed earlier in the month.
- Structural steel work began on schedule and remains ongoing.
- Installation of the plumbing and electrical penetrations through the floor assembly has begun.
- Placement of the concrete flooring on the 1st and 2nd floors over the basement area are scheduled for the second week in July.
- Perimeter framing for the exterior walls are scheduled to begin in mid July.

QUESTION/CONCERNS:
