CAREER DAY

Friday, March 10th, 2023

You can help by volunteering in **ONE** or **BOTH** of the following ways:

- Present an interactive, hands-on 30-minute career session to three groups of students (approximately 30 middle school students, ages 10-14).
- Presentations should include:
 - description of the nature of your occupation
 - training/education required
 - snapshot of a "typical day"
 - your personal journey
- Go beyond PowerPoint! You are encouraged to bring "props" and/or include an activity representative of your career.

Career Fair Booth

12:30-2:45 p.m.

- Showcase your career and company by having an **interactive, hands-on booth** for students who will be visiting the booths in small groups.
- Booths should include giveaways/info flyers for more than 400 students and share information about your career/field.
