53rd Anniversary Dinner

Wednesday, April 24th 9am-12pm — Set-Up

Friday, April 28th 4:30-9pm — Serving

Each year, UCC hosts a one-night fundraising event attended by 500 corporate and philanthropic leaders that includes musical performances, dinner catered by Café el Sol and recognition of youth and adult achievers. This is an excellent team-building opportunity for groups.

Celebrating Loved Ones Craft

Thursday, May 11th — 9-10am or 1:30-2:30pm

Assist our preschool students to create a special craft to give to their loved one for either Mother's or Father's day or recognizing another loving adult in their family. Volunteers will purchase and supply craft kits for the students and bring enough volunteers to support one grade level (at least 12 volunteers).

Elementary Science Classroom Assistant

Monday-Friday 8:15am-12pm

Volunteers are needed to assist in the Elementary Science Lab to support the science teacher to prep in-between classes. Creating hands-on science activities requires many supplies which need to be prepped, sorted, counted and put out in between classes. Provide critical assistance by an extra set of hands so teacher can spend more time teaching students! Schedule may vary based on class lessons.

- Volunteers are encouraged to volunteer at least **4-6 times** during the semester. Upon receipt of application specific dates will be determined that are mutually agreeable to both the science teacher and volunteers.

Virtual Opportunities

Want a team-building exercise for your team or group? Take a look at our options to create and donate:

- Make and customize hats and scarves for students, senior center and adult day center clients.
- Assemble a craft or hygiene kits for adults in our recovery programs.
